

This week:

The Year 1 children have truly impressed us with their phonics screening tests this week—well done to everyone for their hard work! Results will be shared as part of the end-of-year reports.

After a slightly delayed start, the children thoroughly enjoyed their scootering and skateboarding sessions. Classes have also been immersed in their DT learning over this week and next, developing a range of practical skills and creativity.

Next Week

- **Monday:** Class group photographs will be taking place.
- **Tuesday:** Father's Day Gift Cupboard – children who have signed up will choose a gift for the special man in their life.
- **Tuesday afternoon:** 2026/27 Robins children will be joining us for a Stay and Play session at 2:15pm
- **Thursday:** Sam from MSDC will be visiting to talk about the new bins at 2:45pm. Parents are warmly invited to attend.
- **Friday :** Father's Day Breakfast for those who have signed up.

Year 6 pupils will be attending Crucial Crew, where they will learn important skills about staying safe as they prepare for their transition to high school.

Scootering and Skateboarding

"The children had a fantastic time learning how to use scooters and skateboards safely. Through lots of practice, they developed their balance, coordination and confidence, all while having great fun! It was a joy to see their happy, determined faces as they whizzed around the playground, putting their new skills into action."

Class Group Photographs

As you will see from the diary dates, we have two upcoming class group photo sessions scheduled for **15th June** and **23rd June**.

As outlined in our previous letter, we are trialling a new photography company this year. Once both sets of photographs have been taken, you will have the opportunity to view and choose your preferred images. This will also help us gather your feedback to decide whether to continue with our current photographer or move forward with the new company.

Thank you for your support as we explore this new approach.

Free School Meals – Important Information for Families

Yesterday, we emailed an important letter about some changes to income-related Free School Meals.

Please take a few minutes to read this, even if your child does not currently receive Free School Meals, as it may still apply to you.

If you're not sure whether you are eligible, we encourage you to apply, after the 8th June, as explained in the letter—Suffolk County Council will check this for you.

These changes may also affect the extra funding the school receives (Pupil Premium), as not all children who qualify for Free School Meals will be included in this.

If you have any questions or need support with applying, please don't hesitate to get in touch—we're happy to help.
