

This week:

Welcome back to the final half term of the year – there is so much to look forward to!

This week, we were delighted to welcome families of children who will be joining Robin Class in September. They are very excited and will be coming in for taster sessions over the next few weeks – watch this space!

The children thoroughly enjoyed an amazing Colour Run, using powder paint to raise funds for outdoor play equipment on the meadow. A huge thank you to Friends for organising such a fantastic event. Frozen Friday sales will also contribute towards this great cause.

Next week:

Children in Year 1 will be showcasing their fantastic phonics learning as they complete their Phonics Screening Checks. Details of the outcomes will be shared in end-of-year reports.

We are also looking forward to welcoming Rubicon to school, who will be delivering fun sessions in skateboarding and scootering for all children.

In addition, the children will be taking part in an exciting DT Day.

Book Collection for Ghana

Ollie, a former pupil of Bacton Primary School, is currently gathering good-quality books to help create a new library in Ghana.

If you are having a clear-out at home and have any books in good condition that you no longer need, we would love to receive them. Please bring any donations into school, and we will ensure they are passed on to support this wonderful project.

Thank you for your support!

Free School Meals – Important Information for Families

Yesterday, we emailed an important letter about some changes to income-related Free School Meals.

Please take a few minutes to read this, even if your child does not currently receive Free School Meals, as it may still apply to you.

If you're not sure whether you are eligible, we encourage you to apply, after the 8th June, as explained in the letter—Suffolk County Council will check this for you.

These changes may also affect the extra funding the school receives (Pupil Premium), as not all children who qualify for Free School Meals will be included in this.

If you have any questions or need support with applying, please don't hesitate to get in touch—we're happy to help.

Absence Reporting Reminder

Please could we kindly ask that when reporting your child's absence, you provide a clear reason rather than using general terms such as "feeling unwell" or "feeling poorly."

The school is required to keep accurate records of reasons for absence so that we can monitor any patterns or trends, such as cases of sickness or upset stomachs. Identifying these patterns helps us take appropriate action if needed, including carrying out a deep clean to reduce the risk of infection spreading within the school.

We appreciate your support in helping us maintain a safe and healthy environment for all pupils.

Diary Dates

10th June—Skateboard and Scooter Training
15th June—Class Group Photos
