

This week

Behaviours for learning continue to be a real strength. During recent learning walks, we have been impressed by pupils' positive attitudes and the way they have engaged with their revised **Early Morning Work** routines. Please do ask your child about this at home.

Next week

Year 6 pupils will welcome **Lee Walker, Principal of Stowupland High School**, who will be talking about life at secondary school. Parents are invited to a question-and-answer session at **3.15pm**.

Parents of children in **Robin class** are invited to join us on **Thursday at 2.30pm** to learn more about how we teach phonics and how you can support reading at home.

Individual Photos

As with the class group photographs, individual photographs will be taken by two different photography companies. This will give families the opportunity to compare both options and decide which style they prefer.

Once you have viewed the photographs, we would appreciate it if you could let the school office know which company's photographs you prefer. Your feedback will help us decide which photographer to use for individual and class photographs next year, meaning we will only arrange for the preferred company to attend in future.

Thank you for your feedback and support.

Flu Vaccinations

The annual flu vaccination programme will take place in school on **24th September**.

Information has been sent home explaining how to either give consent for your child to receive the vaccination or decline it. If you have not yet completed your response, please do so at your earliest convenience.

Diary Dates

22nd September Individual Photos
24th September - Flu Vaccinations
7th October - Parents Evening 3:30-6:00pm
8th October - Parents Evening 3:30-6:00pm
