9th October 2026

Bacton Primary School

This week

The instructors from **Bikeability** commented on the impeccable behaviour of all of the children who completed this training.

Thank you to everyone who attended **Parents Evening** - we have received some excellent feedback and suggestions, which we look forward to sharing and acting upon.

Our **CEO and Trustees** visited on Thursday - they were incredibly impressed by the positive attitudes, excellent behaviour for learning and purposeful atmosphere throughout the schools. Well done to all our children and staff!

Next week

Children will be taking part in the **Save the Children Christmas** song on Wednesday – children can come dressed in **brightly coloured clothes** (no football tops please) or a **Christmas jumper**

Due to structural concerns at the church and capacity in the hall, **Harvest festival** will take place on the playground next **Friday** (weather permitting). Please arrive at **2:30 for a 2:45** start. All donations of non-perishable welcome this week.

Parent & Carer Focus Group

We would like to invite parents and carers to join our **School Focus Group**. This is an opportunity to:

· Learn about our key priorities and improvement plans for the year ahead.

· Find out more about developments across the school.

· Ask questions and gain a deeper understanding of school life.

· Share your views, suggestions and ideas.

· Work alongside school leaders to help shape the future direction of the school.

Date: 16th November - 3:15. Children may attend after school club free of charge during this session.

We value the perspectives of our families and believe that by working together with parents, carers and governors (a selection of whom will be in attendance), we can continue to strengthen our school and provide the very best opportunities for our children.

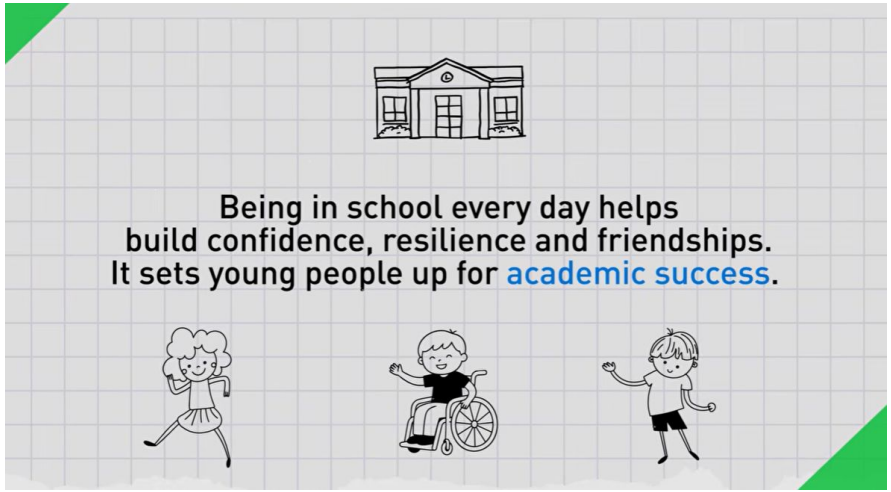

We hope to see many of you there!

Reporting Your Child's Absence

Thank you for letting us know when your child is unable to attend school. When reporting an absence, we kindly ask that you provide a specific reason for the absence wherever possible. Unfortunately, terms such as *"ill"* or *"unwell"* do not give us enough information for our attendance records.

Having a clearer understanding of the type of illness affecting our pupils helps us identify if there is an increase in similar illnesses across the school. This enables us to take any necessary steps to protect the health and wellbeing of our school community, including enhanced cleaning or, where appropriate, a deep clean of the school.

Thank you for your support, cooperation, and understanding in helping us maintain a safe and healthy environment for everyone.

Why attending every day matters!
