2nd October 2026

This week:

- The **Eco Team** and **School Council** met this week to discuss priorities and ideas for the year ahead.
- We welcomed **Oxford Hearing Services**, who delivered fascinating workshops all about ears, hearing and how we look after them.

Next week:

- Parent consultations will take place on **Wednesday and Thursday**.
- Bikeability will also be taking place on **Wednesday and Thursday** for registered pupils.

As always, thank you for your continued support. Have a wonderful week ahead.

Harvest Festival Reminder

Our **Harvest Festival** takes place Friday 16th October. Please send in any donations of non-perishable food items to support local community organisations. Thank you for your generosity.

Eco Rangers

The Eco Rangers met on Wednesday to plan the projects they'll be tackling this month. With the recent bin changes across Suffolk, the team is taking action to make sure all classroom and staffroom bins match the current recycling schemes. Their goal is to help everyone reduce the amount of general waste and make recycling easier and clearer throughout the school.

School Council

The School Council met on Wednesday to discuss ideas for our new hour teams names. A bid thank you to everyone who submitted suggestions — the children loved reading them and are excited to share the final choices very soon.

They also spent time thinking about all the rules the children will be allowed to break on **Break a Rule Day** on Friday 20th November, and they can't wait for everyone to join in.

Parent & Carer Focus Group

We would like to invite parents and carers to join our **School Focus Group**. This is an opportunity to:

- Learn about our key priorities and improvement plans for the year ahead.
- Find out more about developments across the school.
- Ask questions and gain a deeper understanding of school life.
- Share your views, suggestions and ideas.
- Work alongside school leaders to help shape the future direction of the school.

Date: 16th November - 3:15. Children may attend afterschool club free of charge during this session.

We value the perspectives of our families and believe that by working together with parents, carers and governors (a selection of whom will be in attendance), we can continue to strengthen our school and provide the very best opportunities for our children.

We hope to see many of you there!

School Photographs

As we currently have two photography providers booked this term, we will be taking the opportunity to compare the quality, service and value offered by each.

Once families have received **both sets of photograph previews**, we welcome feedback to help inform our decision about whether to continue with our current provider or move to the new photographer for future school photographs.
