

**Autumn
Term
2023
Year 3**

Bacton Primary School

Curriculum Information

English

In English, we will be reading *Leon and Bob* which is based on friendships and change. Later on in the term, we will be looking at *Pebble in my pocket*, linked to our science topic. Our term will end with *Wolves* where we will create some great information leaflets and persuasive letters.

Maths

In maths, we will be exploring place value, the four operations (addition, subtraction, multiplication and division), fractions, decimals, geometry and measures using a concrete, pictorial and abstract approach. Children will be encouraged to reason and apply these skills when problem solving to deepen their thinking and understanding.

Science

In science, we will be looking at different types of rocks and how they are formed.

We will then progress on to learning about animals including humans.

History / Geography

In Geography, we will be exploring how our local area has changed.

In History, we will be looking at the stone age.

Computing

In computing, we will be learning how to use stop frame animation and how to sequence sounds.

PE

In PE, we will be developing our cross-country skills on a Wednesday and attend swimming lessons every Thursday at the Leisure Centre.

RE and PSHE

In PSHE, we will be learning about how there are different people in the world and being an individual.

Hinduism is our focus in RE.

Art and DT

In art, we will be exploring prehistoric art and developing our drawing skills.

In DT, we will be learning how to cross stitch and appliqueing cushions.

Other Useful Information

Our PE days are Wednesday and Thursday. Please ensure that PE kits are brought to school on these days and that earrings are removed prior to school.

This term we will be swimming on a Thursday morning.

New spellings and times tables will be allocated on a Friday.

Children will have the opportunity to change their reading books throughout the week.

Keep an eye on our class page on the school website for other useful information

French

We will be learning some basic phrases in French and naming items within the classroom.
