

**Autumn
Term
2023**

Bacton Primary School

Curriculum Information year 4

English

In English we will be reading on plastic bag by Miranda Paul and using this text as a stimulus to write a formal letter.

In our destination reader lessons we will be reading the girl who stole an elephant. We will practice and apply our reading strategies to comprehend what we have read.

Maths

In maths, we will be exploring multiplication/division, measurement, fractions and decimals. The children will be encouraged to reason and apply these skills when problem solving to deepen their thinking and understanding.

We will also have a focus on times tables and we will prompt the children to take part in times tables rock stars twice a week.

Science

In science, we will be exploring states of matter.

We will then progress on to learning about sound.

History and Geography

In Geography, we will be exploring Florida and beyond the magic kingdom.

In History, we will be learning about Anglo Saxons.

Computing

In computing, we will be learning about data logging and repetition in shapes.

PE

In PE, we will be developing our dance and gymnastics skills.

RE and PSHE

In PSHE, we will be learning about dreams and goals. Then we will look at what makes us healthy.

In RE, we will be exploring Christianity and Buddhism.

Art and DT

In art, we will be exploring textiles and printing on fabric. This will be closely linked to the artist Michael Brennand—wood.

In DT, we will be designing and making pneumatic toys.

Spellings

Weekly spellings will be uploaded to Spelling Shed for children to practice at home on a regular basis. Spellings tests will take place every Friday.

Other Useful Information

- Our PE days are on a Wednesday and Thursday. Please ensure that PE kits are brought to school on these days and that earrings are removed prior to school.
- Homework is completed online each week using TTRS and Spelling Shed.
- Keep an eye on our class page on the school website for other useful information.
