

Robins - Home Learning  
Week Beginning 25<sup>th</sup> January

Hello Robins!

I hope you enjoyed learning all about firefighters, I know I did 😊

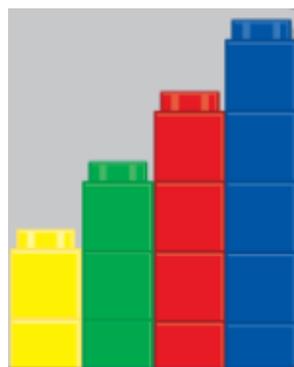

It has been so lovely looking through Tapestry at all of your wonderful work, I am so proud of all of you (grown-ups too)!

I will be working from home this week and will call you all to see how you are doing.

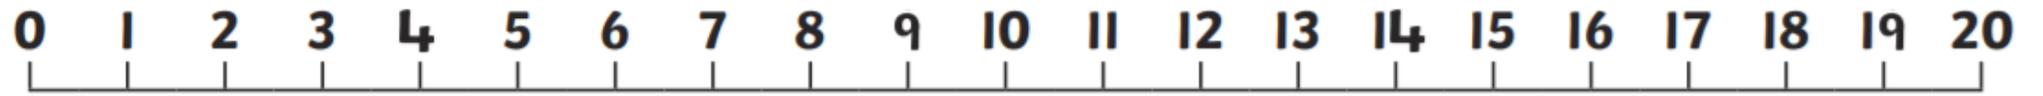

Take care and keep safe.

Mrs King

Area of learning	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Phonics</b>	Say the new sound, 'oo', as in b-oo-k. Complete the worksheet and write the word under each picture.	Today we are going to complete our language session. Watch the video on Tapestry and practise writing the captions.	Say the new sound, 'ar', as in sh-ar-k. Complete the worksheet and write the word under each picture.	Say the new sound, 'or', as in f-or-k. Complete the worksheet and write the word under each picture.	Say the new sound, 'ur', as in h-ur-t. Complete the worksheet and write the word under each picture.
<p>Have a look at...</p> <p>Jolly Phonics song on YouTube <a href="https://www.youtube.com/watch?v=_s-1sxzjPX8">https://www.youtube.com/watch?v=_s-1sxzjPX8</a></p> <p>Tricky words song on YouTube <a href="https://www.youtube.com/watch?v=TvMyssfAUx0">https://www.youtube.com/watch?v=TvMyssfAUx0</a></p>					
<b>Maths</b>	This week we are learning about addition, starting by adding 1 more. Grown ups - drop 4 pennies into a tin / money box. Children count how many are in the tin as they hear them drop. Drop 1 more penny in. How many are there now? Write the number sentence $4 + 1 = 5$ . Repeat with other amounts.	Watch the Tapestry video. How do you know what 1 more is? Make a number line to 10 or 20 (like the one below). Use a Lego character, if you have one, and practise jumping up the number line to find out 1 more. We can prove our answers like this. Make stairs with lego that increase by 1 - notice how the stairs get taller →	Watch the 1 more video on YouTube <a href="https://www.youtube.com/watch?v=Du6JHupzwVo">https://www.youtube.com/watch?v=Du6JHupzwVo</a> Use your number line you made yesterday to solve the 1 more worksheet below.	Login to Mathletics and play - 'Operations with number' - adding to 5 and then 10. Use the number line to help you - remember to jump along to the right. To find out 2 more, jump 2. To find out 3 more, jump 3 (and so on...) I have re-sent Mathletics logins on Tapestry.	Next week we will be learning more about patterns and symmetry. Watch Go Noodle. <a href="https://www.youtube.com/watch?v=BQ9g4U2P3ig">https://www.youtube.com/watch?v=BQ9g4U2P3ig</a> Then watch my pattern song on Tapestry and have a go at making up your own. "Clap your hands and wiggle your fingers... Mrs King made a pattern!"

<p><b>Topic</b></p>	<p>This week, we will be learning about dentists.          Watch the story on Tapestry.          Have you been to the dentist before?          What do dentists do?          What do they use?          Today we will make a mouth with teeth.          You could make a dentists mirror too using a straw and some baking foil.</p> 	<p>Watch 'Peppa pig goes to the dentist' <a href="https://www.youtube.com/watch?v=r-jrs5KQ3aA">https://www.youtube.com/watch?v=r-jrs5KQ3aA</a>          How much toothpaste do you use? (pea sized)          How do you brush them? (in circles)          How often should you brush your teeth? (twice a day)          How long should you brush your teeth for? (2 minutes)          Are all our teeth the same - compare your teeth to your grown ups.          How many do you/they have?</p>	<p>It's workout Wednesday - you can continue to watch Joe Wicks or watch and learn another Just Dance video on YouTube. This week, learn '5 Little Monkeys'.  <a href="https://www.youtube.com/watch?v=IxFOiayJR-s">https://www.youtube.com/watch?v=IxFOiayJR-s</a>          Think about how the numbers get smaller in this song. Which way would you go on the number line, up or down?</p>	<p>Watch Tapestry 'Healthy Teeth'          How can you keep your teeth healthy?          What foods are healthy?          What foods are treats?          Which foods should we eat more of/why?          Using the template below (or you can draw your own), cut out the healthy food and make a healthy lunchbox.          Why have you chosen each food?          Which is your favourite?</p>	<p>Watch Topsy and Tim - Our Teeth on BBC iPlayer. The twins visit the dentist and learn all about the tooth fairy.  <a href="https://www.bbc.co.uk/iplayer/episode/b04j24zj/topsy-and-tim-series-2-16-our-teeth">https://www.bbc.co.uk/iplayer/episode/b04j24zj/topsy-and-tim-series-2-16-our-teeth</a>          Think about all the things we have learnt this week.          Label the pictures below using the word bank to help you.</p>
<p><b>Reading</b></p>	<p>I have loved watching the children's engagement with Bug Club eBooks.          Please do keep up the great work 😊</p>				

1 Put a ring around **o** in the alphabet.

abcdefghijklmnopqrstuvwxyz

2 Put a ring around **oo** in the words.

good cook hood wood

3 Write the letters **oo**.

oo

oo

1 Put a ring around **a** and **r** in the alphabet.

abcdefghijklmnopqrstuvwxyz

2 Put a ring around **ar** in the words.

arm art jar start

3 Write the letters **ar**.

ar

ar

- 1 Put a ring around **o** and **r** in the alphabet.

abcdefghijklmnopqrstuvwxyz

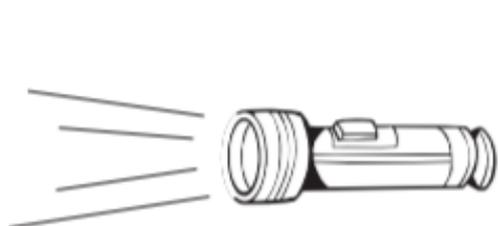

- 2 Put a ring around **or** in the words.

or    pork    corn    torch

- 3 Write the letters **or**.

or

or

- 1 Put a ring around **u** and **r** in the alphabet.

abcdefghijklmnopqrstuvwxyz

- 2 Put a ring around **ur** in the words.

fur burst hurt turnip

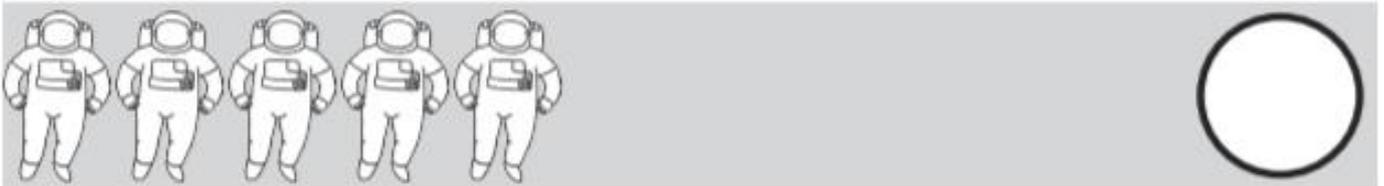

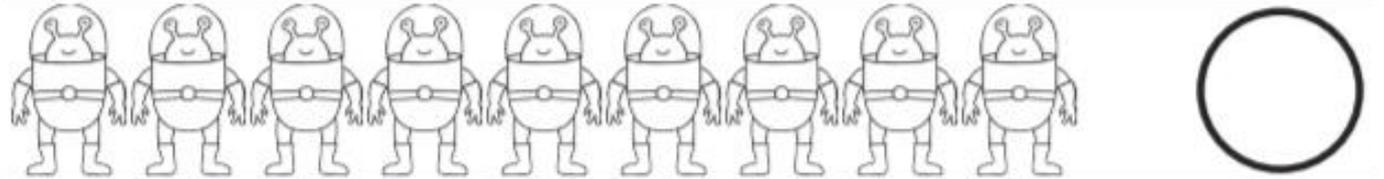

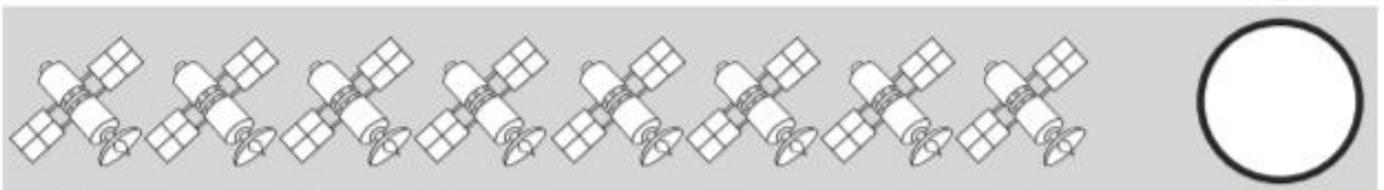

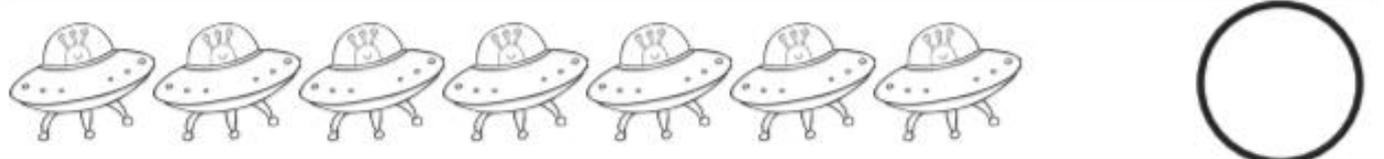

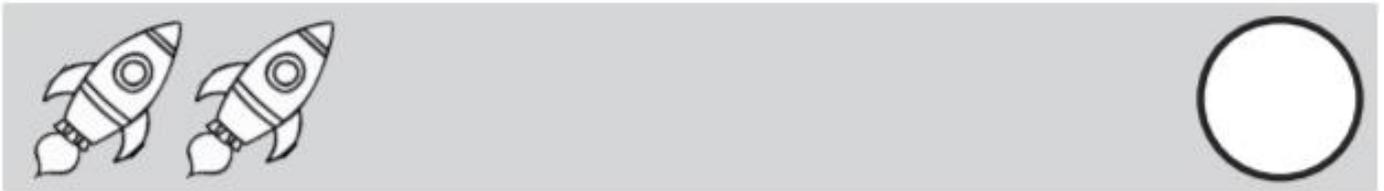

- 3 Write the letters **ur**.

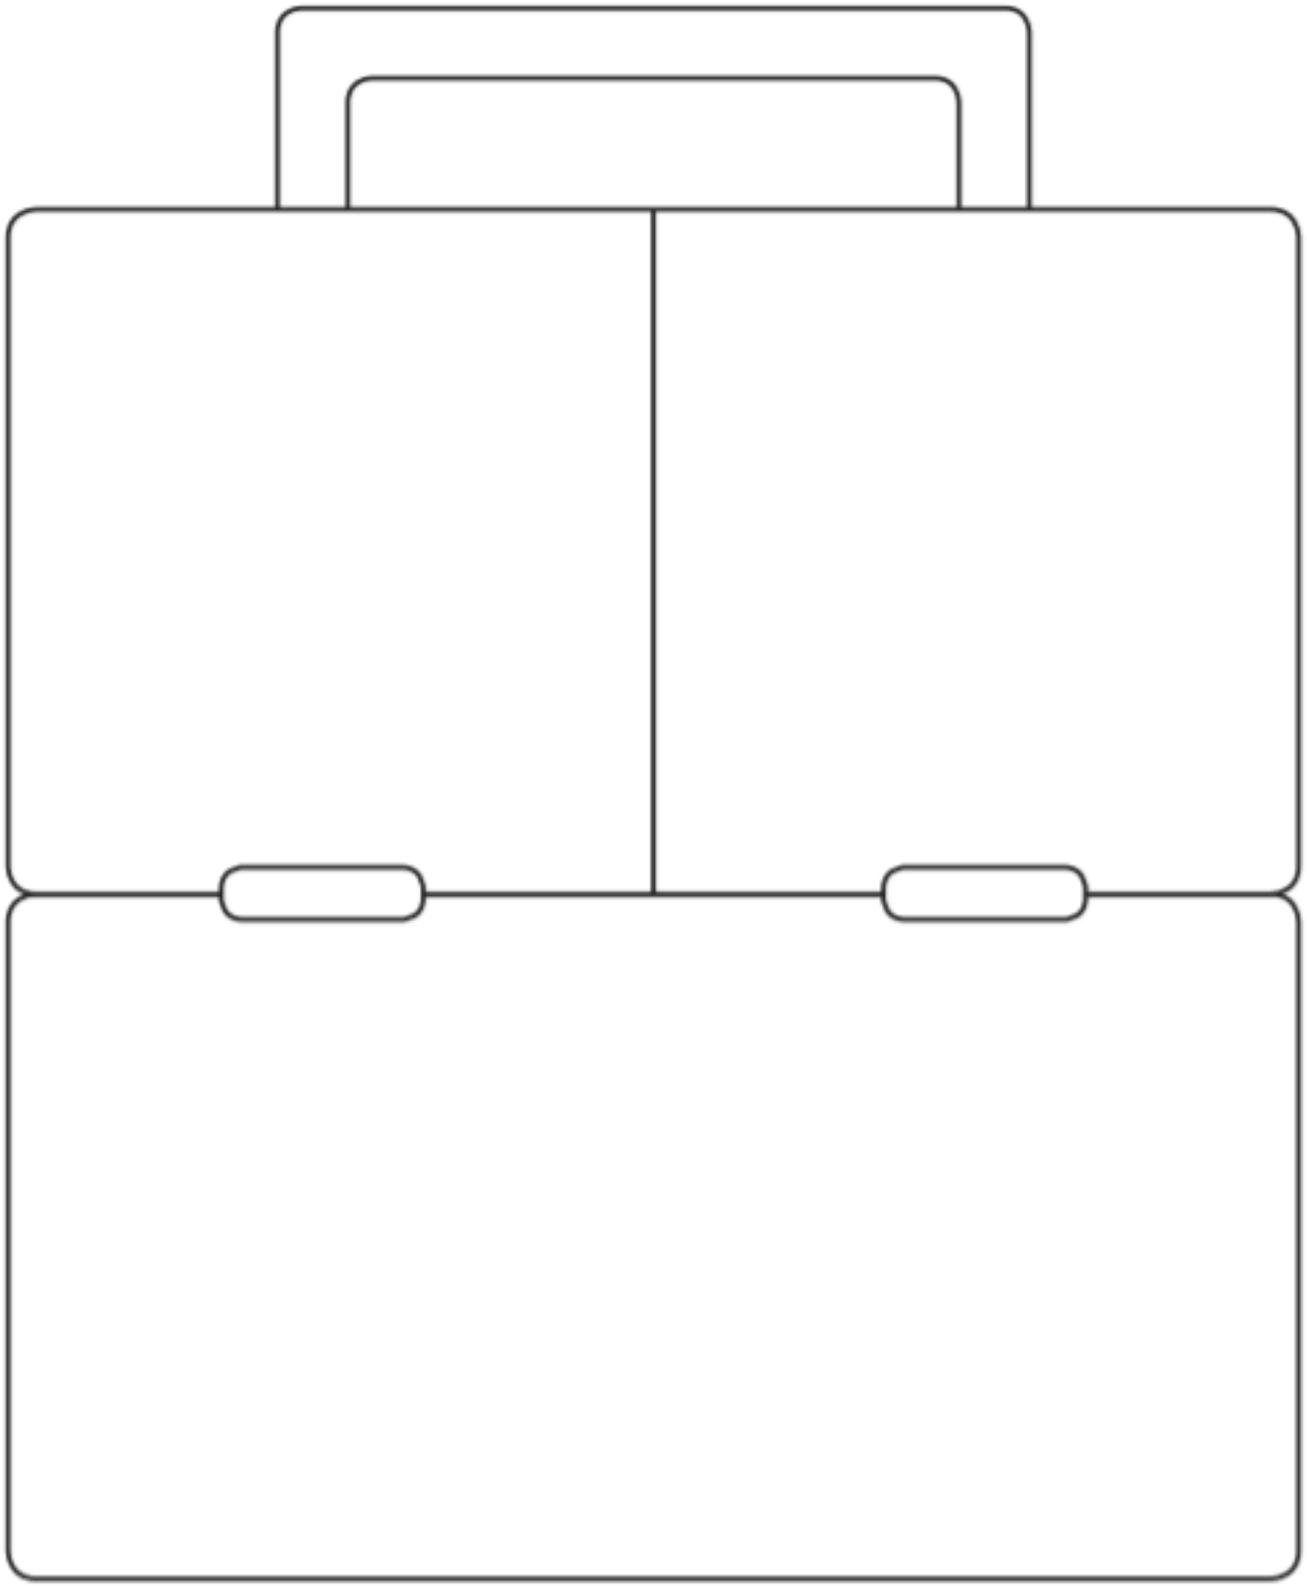

ur

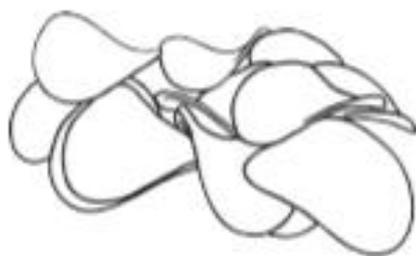

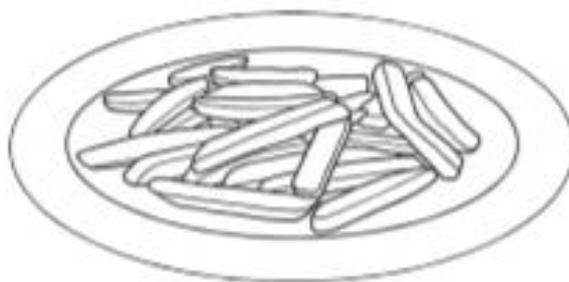

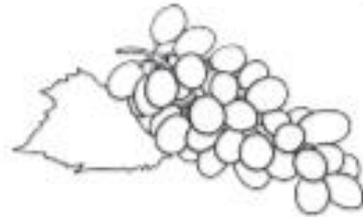

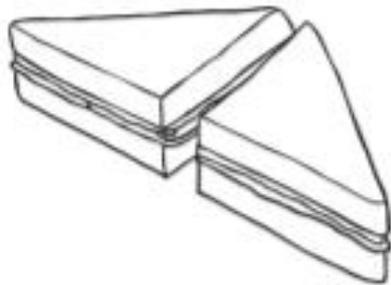

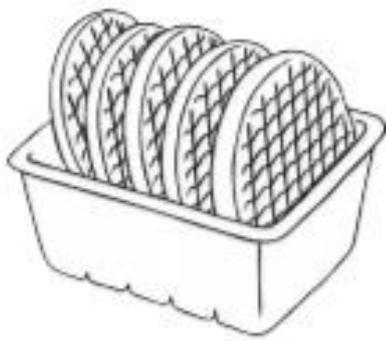

ur

Count the objects and write the number that is 1 more in the circle.

toothbrush

toothpaste

teeth

brush

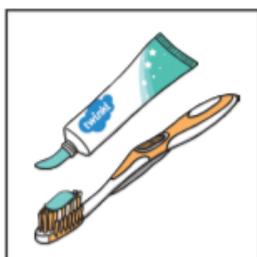

sound it out

finger spaces

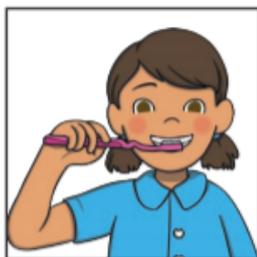

full stop
