

Robins - Home Learning
Week Beginning 1st February

Hello Robins!

It was lovely speaking to some of you last week and seeing what you have been doing on Tapestry - well done everyone.

Please do look at Bug Club books if you have not already. This will give the children the opportunity to put their phonics learning in to practise.

Reading just a little every day will make such an enormous difference and will support writing too!

Have a great week 😊

Mrs King

Area of learning	Monday	Tuesday	Wednesday	Thursday	Friday
Phonics	Say the new sound, 'ow', as in h-ow-l. Complete the worksheet and write the word under each picture.	Say the new sound, 'oi', as in c-oi-n. Complete the worksheet and write the word under each picture.	Today we are going to complete our language session. Watch the video on Tapestry and practise writing the captions.	Say the new sound, 'ear', as in h-ear. Complete the worksheet and write the word under each picture.	Say the new sound, 'air', as in p-air. Complete the worksheet and write the word under each picture.
<p>Have a look at...</p> <p>Phonics play (available for free during lockdown - username: jan21, password: home) https://www.phonicsplay.co.uk/</p> <p>Log in to Active Learn and play games https://www.activelearnprimary.co.uk/login?c=0</p>					
Maths On days when there are several activities you can choose to do some or all of them!	This week we are learning more about repeating and symmetrical patterns. Make towers with 3 different colour lego pieces, e.g. 'blue, red, green, blue, red, green'. Say the pattern rhythmically to see if it sounds right. Then make them trickier - 'blue, blue, red, green, blue, blue, red, green'. Make another one exactly	Make a repeating pattern with shapes, e.g. draw...  Which shape comes next? Make a repeating pattern tile. Cut out strips of 2/3 different coloured paper and cut them in to squares. Stick the different colours to make a tile...	Use your body to make a pattern. Stamp, pat knees, stretch, stamp, pat knees, stretch. Can your grown up copy your pattern? Make a fruit pattern at lunch time.  Complete the symmetry work sheet by drawing the other half as carefully as you can.	Go out into the garden and take photos of things that are symmetrical. You may find things like flowers, leaves or even the front of a car. Use some natural objects to make repeating patterns. 	Next week we will be learning about number bonds to 10 (pairs of numbers that total 10) Watch Jack Hartman. https://www.youtube.com/watch?v=ID9tjBUiXs0 Try using your fingers as you listen to the song. Hold up 2 fingers and keep 8 down (2+8=10).

	the same and put them together - they are symmetrical.				
Topic	<p>This week, we will be learning about postal workers. Watch 'The Jolly Postman' https://www.youtube.com/watch?v=gpeo_OyoD0k</p> <p>What does a postal worker do? What do they wear/carry? Each of the letters the Jolly Postman delivered had something on them (a stamp). Design your own stamp by drawing your face, adding a crown like a real stamp and writing 1st or 2nd. Where do you buy stamps? What shape/colour are they?</p>	<p>Watch 'Zoe Zebra the Postman's daughter' https://www.youtube.com/watch?v=vG8FotzvCA</p> <p>Write a letter for your friends and post to school. You could draw a picture of school / your friends and say "hello". I will put photos of those that have been received on Tapestry for everyone to see. Take your letter to the postbox. What do you notice on your walk? What shape / colour is the post box. What numbers do you see on the houses? Talk about prepositions as you</p>	<p>It's workout Wednesday again - watch Joe Wicks or learn another Just dance video on YouTube. This week, have a look at 'Despicable Me'. https://www.youtube.com/watch?v=Jf_dEcgeJWo</p> <p>Do you think you are getting fitter / stronger / healthier? What is your favourite exercise?</p>	<p>Watch the journey of a letter... https://www.youtube.com/watch?v=8pFd8DLcPIY</p> <p>A postal worker will have collected your letter in their van with lots of other post from around your village. What might they see / did you see on your journey. Draw a map between your house and school. You could include some imaginary places that we have learnt about already, such as a doctors surgery, hospital, police station and fire station.</p>	<p>Play 'I spy with my little eye'. This will help you think about the initial sounds in words. For example - 's' in 'sun'. Use this to help you complete the matching work sheet. Say the initial sound of each picture and try and match it to the word that begins with that sound. Alternatively, you could say the initial sound of each word and try and find that picture.</p>

		walk - the post box is 'next to'... 'Across' the road is a...Put the letter 'in' the box.			
Reading	Reading just a little every day will make such an enormous difference and will support writing too! 😊				

- 1 Put a ring around **o** and **w** in the alphabet.

abcdefghijklmnopqrstuvwxyz

- 2 Put a ring around **ow** in the words.

how town cow growl

- 3 Write the letters **ow**.

ow

ow

1 Put a ring around **o** and **i** in the alphabet.

abcdefghijklmnopqrstuvwxyz

2 Put a ring around **oi** in the words.

oil coin coil boil

3 Write the letters **oi**.

oi

oi

- 1 Put a ring around **e**, **a** and **r** in the alphabet.

abcdefghijklmnopqrstuvwxyz

- 2 Put a ring around **ear** in the words.

dear fear hear beard

- 3 Write the letters **ear**.

ear

ear

- 1 Put a ring around **a**, **i** and **r** in the alphabet.

abcdefghijklmnopqrstuvwxyz

- 2 Put a ring around **air** in the words.

fair hair pair stair

- 3 Write the letters **air**.

air

air
