<p>Our focus this week is...</p> <p>Use the link to watch the animation.</p>	<p>A whale tale - animated story</p>  <p><a href="https://www.youtube.com/watch?v=xFPoIU5iiYQ">https://www.youtube.com/watch?v=xFPoIU5iiYQ</a></p> <p>Please send in some recycled objects that we can use for junk modelling this week 😊</p>
<p>In Phonics we are continuing to recover...</p>	<p>Previously taught digraphs and trigraphs (sounds containing 2 or 3 letters).</p> <p>We are all working at the tables at the same time and reading and writing more complex sentences.</p>
<p>In Literacy we are learning...</p>	<p>To write about recycling (e.g. 'Put it in the bin').</p> <p>We are remembering to use a capital letter, finger spaces and full stops. We can read our writing to check it makes sense.</p>
<p>In Maths we are learning...</p>	<p>About height.</p> <p>Order objects in your house from shortest to tallest. Measure how tall they are by stacking blocks or lego and counting how many there are.</p> 
<p>I will be asking that all books are returned on the last Friday before the end of term so that they may be audited, but please do continue to read on Bug Club online...</p>  <p><a href="http://www.activelearnprimary.co.uk">www.activelearnprimary.co.uk</a></p>
