Dear Parents / Carers

As the crisis in Ukraine continues we thought the children may want to help raise some much needed funds to donate to the Ukraine Emergency Appeal via CARE International UK.

Any donations received will help provide food, water, hygiene kits, cash and wellbeing support.

On Friday 11th March the children can come into school dressed in the colours of the Ukraine flag (blue and yellow) and you can make a donation of your choice to the following Just Giving Page:

If you would prefer to pay cash then please place in an envelope and hand in to the school on the day.

Any donation would be welcome.

Thank you
