

20th May 2022

Dear Parents/Carers

It has been a very busy couple of weeks, with our Year 6s and Year 2s completing their SATs- well done to both of these year groups for their effort and resilience while completing these tests, and a big thank you to all staff and parents for supporting the children and ensuring a positive experience.

Next week, we have a couple of our classes going out on a school trip to enrich their learning across different areas of the curriculum, Royal Non-school Uniform Day, and we will be decorating an area of the church with the crafts that each year group has made to celebrate the Queen's Jubilee - lots to look forward to!

As we are nearing the end of this half term, I would just like to thank you for your ongoing support. We are excited to be planning more events that promote parental involvement so that we can celebrate the children - and their learning - together.

Parental Involvement

Now that we have returned to a more normal way of school life, we will be planning some small sharing events where the children will be able to showcase their learning. Please keep an eye out for information from your child's class teacher for your child's year group sharing event.

Before and After School

Please could we remind everybody that the playground apparatus should not be used whilst the children are waiting in the playground at the beginning and end of the school day.

Lost Property

All lost property will be out on the playground at the end of each day next week. Please come and have a look to see if you recognise anything.
