BACTON PRIMARY SCHOOL

Dear Parents/Carers

We are so proud this week of our year 6 children. They have completed their bikeability training and received enormous praise from the instructors who took the time to email me. They let me know that the children were not only great decision makers on the road (fabulous for their safety), but also one of the most polite groups they had taken who also had great self-belief and a willingness to listen and try new things. Well done year 6, you are a credit to our school and your families.

### Food Museum – Year 3

Year 3 had a fantastic time last Thursday at the Food Museum in Stowmarket, looking at the exhibits and making bread.

### Medicines

If your child needs any medication throughout the course of the day, you will need to fill in a medicine permission form and the medication **must** be handed into the office and not left with the child.

### Bikeability

The children in Year 6 have completed their Bikeability course this week. Along with contending with the heat, the children have completed a number of different cycling challenges and applied these out on the roads of Bacton. The children have been a credit to themselves with the instructors explaining how polite, hardworking and supportive of each other they were.

### Allotment

Years 4 and 6 have been working hard to transform the allotment plots we have been allocated in the village. They have made a start creating 2 vegetable beds and built a compost bin. Both classes worked hard in the extreme heat conditions and were proud of their achievements by the end. They have already started to think about what they would like to grow in the beds already.

### Absence Reporting

Can we remind you to report any absence from school on the first day of the absence by 09:15am.

There is an absence reporting line for you to leave a message. When calling or leaving a message please state the reason for the absence, without a reason the absence will automatically be entered as unauthorised.

### Jubilee Medals

We would like to thank Bacton Parish Council for the Jubilee Medals. Each child in the school received a Medal to commemorate the 70<sup>th</sup> Anniversary of the Queen's reign.

### Little Hoot Locations

The locations of the Little Hoots on the Art Trail have been announced with JMAT owls featuring in the following prominent locations:

**Bacton** – Paddy & Scotts Café @ The University of Suffolk, Ipswich Waterfront.

**Cedars Park** – On the Huh Café/Restaurant on the corner of St Peters Street/Silent Street.

**Mendlesham** – Ipswich County Library, Northgate Street.

**Stowupland** – Ma Belle Present, an independent gift shop on Lloyds Avenue in the town centre.

This means that all 4 JMAT owls can be visited easily in town centre locations.

#### Taking the Trail:

The Trail will run from the 19<sup>th</sup> June to 3<sup>rd</sup> September.

Information on the trail can be found at:
